## Who We Are

Grant Solutions is a boutique consulting firm specialising in obtaining competitive government funding for businesses and community groups.

## Why Use Our Services

Government grants are highly competitive, attracting vast number of applications (sometimes 5000+ in each funding round). Despite spending valuable resources, jumping through hoops and filling out mountains of paperwork, most small businesses are unsuccessful in obtaining funding.

We change this. By engaging our services, TCF businesses are almost **guaranteed** funding. We work on a **success** basis and receive a fee equivalent to a percentage of the successful grant. We specialise in working with TCF businesses and are familiar with the application guidelines.

**New Client Deadline Jan 23, 2009**  
**Applications Close Feb 27, 2009**

This grant is **ideal** for TCF business that will undertake projects in **mid 2009** and are currently planning for these projects.
